*The most dynamic Art Business Opportunity
with leads generated from The Art Channel and
its television programming.*

This new opportunity offers the most comprehensive "awards system" in the direct marketing industry featuring the best renowned artists. We will have the finest replicated art using state-of-the-art equipment and a very unique finish that only the experts can tell the replicated piece from the original. The final UV coating is guaranteed not to fade for a couple of hundred years, and each piece of art is numbered according to the number selected for that specific edition and is signed with the artist's actual signature – not a printed one! Don't miss out on this opportunity to become the top leaders of the membership groups.
